MICHAEL MASKE

(770) 519-4511 • mmaske94@outlook.com • http://www.linkedin.com/in/michael-maske • https://michaelmaskeportfolio.netlify.app/ • https://github.com/mmaske94

SKILLS

- Programming Languages: HTML, CSS, JavaScript, NodeJs/Express, Git, React, Python/Django, Flask, Java
- Efficient in Microsoft Products such as: Excel, Word. Powerpoint, and Nav.

PROJECTS

Foodle - Recipe App: https://foodlefrontend.herokuapp.com/

Created a MERN application that leverages an API to return recipes based on the ingredients in the user's query.
 Users can save recipes to their personalized page. Implemented React.js as the front-end and utilized express for the back-end.

Moldy Potatoes - Movie Review App: https://moldypotatoes.herokuapp.com/

Built an app where users can post and customize their favorite movie reviews. Implemented React.js as the front-end
and utilized Express for the back-end. Served as the Scrum Master for this group project, helping the team enhance
and streamline the process to complete the app efficiently and on-time.

Markdown Converter - A Markdown to HTML converter: https://github.com/mmaske94/Markdown-Converter

 Developed a React app where users can convert Markdown language into HTML. Utilized HTML, CSS, and JavaScript.

Notes Taking App: https://github.com/mmaske94/Markdown-Converter

• Developed a Flask app where users can add and delete notes. Also, the app allows you to create a user, login and logout. Utilized Python.

WORK EXPERIENCE

ADVANTAGE MEDIA GROUP, Inc. Atlanta, Georgia Staff Accountant February 2021 – Present

- Collaborated with department heads to accurately process 20+ expense reports and 100+ invoices each month.
- Lead month-end close tasks and revenue calculations to ensure accurate reconciliation and reporting within one
 week
- Improved quarterly royalty process for over 800 members by leveraging advanced knowledge of Excel to automate key tasks, increasing efficiency by 30%.

FRESHPOINT Inc. Atlanta, Georgia Staff Accountant December 2019 – February 2021

- Configured intercompany journal entries valuing over \$1 million each week.
- Prepared monthly journal entries and reconciliations for over 20 accounts
- Reviewed expense reports for all Freshpoint offices in the Southern region to accurately track cash outlays.

THE ELF ON THE SHELF d.b.a CCA & B, LLC Atlanta, Georgia Staff Accountant July 2017-December 2019

- Spearheaded the accounts payable process for the entire company: entered invoices, reviewed check and wire
 payments, created credit memos, audited and processed credit card bills, tracked and recorded supplier
 invoices/deposits, as well as processed payment journals, which helped the company be up to date on their cash flow.
- Developed fixed assets valuing over \$1,000 for the company and recorded depreciations of assets monthly.
